**Subject:** Authorization to Enforce City of Seattle Fire Code

Gentlemen,

SFD Capt. Reba Gonzales is working in SPOC today. She facilitated the approval of SPD enforcing the City's fire code.

Permission to enforce the City of Seattle Fire Code granted by SFD Fire Marshall John Nelson.

Marshall Nelson recommends that we enforce "Deliberate or Negligent Burning" under SMC 22.600.020, which is a gross misdemeanor.

Thank you,

Von Levandowski
